FINSIA partners with CA ANZ to offer new micro courses for finance professionals

Sydney, Australia – FINSIA is excited to announce a new partnership with Chartered Accountants Australia and New Zealand (CA ANZ) to provide members with access to a series of innovative micro courses designed to address the evolving challenges financial professionals face today. This collaboration aims to enhance the skills of finance professionals through practical, real-world insights and up-to-date knowledge.

The new online, self-paced micro courses cover high-demand skills essential for staying competitive in an ever-changing industry. Each module offers Continuing Professional Development (CPD) hours, making it a convenient and valuable addition to any professional's growth.

The new courses available to FINSIA members include:

- **Introduction to Data Analytics**
Gain an overview of data analytics and learn how to draw actionable insights from data.
- **Transform Your FinTech Skills with AI**
Learn to harness technology innovations, leverage AI tools, and prepare for the future of business.
- **Building Trust for Finance Professionals**
Explore strategies to establish credibility, build strong relationships, and lead with integrity.
- **Developing Your Inclusive Leadership Traits**
Build essential skills to foster diverse, inclusive, and high-performing teams.

These courses are designed to support the professional growth of finance professionals by providing accessible, flexible learning opportunities that fit seamlessly into busy schedules.

Whether you're looking to enhance your expertise in data analytics, FinTech, leadership, or relationship-building, FINSIA members can now access tailored learning paths to meet their evolving needs.

Through this strategic partnership with CA ANZ, FINSIA members can now access these high-quality micro courses at a discounted rate. This offer opens doors to world-class training, equipping finance professionals with key skills that are essential for advancing their careers and gaining a competitive edge in the job market.

FINSIA members can now take advantage of this exclusive opportunity to grow and refine their professional skill set through the CA ANZ micro courses. Don't miss out on this chance to strengthen your capabilities and prepare for the future of finance.
