

The Finsia Mentoring Program

men·tee (mĕn-tĕ): [ment(or) + -ee.] one who is mentored

men·tor (mĕn'tôr', -tər) a wise and trusted counsellor or teacher

The Finsia mentoring program is only available to Finsia members.

The program provides mentees with the opportunity to expand networks, and access the expertise and insights of one of today's industry leaders.

Mentors are given the chance to 'give back' to the industry by sharing experience and knowledge with an industry professional looking to move forward in their career.

If you'd like to be mentored or are interested in finding out more about becoming a Finsia mentor, please visit finsia.com/mentoring, or contact program coordinator Pauline Wearne via email p.wearne@finsia.com, phone 02 4476 8107 or mobile 0457 790 897.
